

## Jeri Tidwell Dance Photography

**Jeri Tidwell Dance Photography is pleased to be photographing the Power Explosion company dancers on Saturday April 13, 2019**

- \*Dancers need to arrive 15 minutes prior to their scheduled time with hair and makeup done. Use this time to stretch.**
- \*Come prepared with two individual pose ideas per costume.**
- \*NO parents or dream duffles allowed in the photography studio. It will be too crowded.**
- \*There are many fun things to see and do at Savage Mill. Feel free to stay and shop or eat during the photography session.**

Schedule to be released in January

**When you arrive at Savage Mill, park in the small parking lot by the barn red building. Look for the brick arch with "RAMS HEAD" above it, but don't go under. Look to your left for a gray/burgundy door marked "paymasters office" up high. Go in and up the stairs, my space is straight ahead. There is a large parking lot in the back of the Mill if the small lot is full. You'll have to walk all the way through the mill. ( down stairs, walk straight, two left turns)**

8600 Foundry St.,  
Savage Mill Suite 217C  
Savage, MD 20763

**The photographs will be posted online by April 20, 2019  
There is an order deadline of MAY 11th.
